## WHO WE ARE

Founded in 1999, ECAP of NC, LLC is a premier premium audit firm serving insurance carriers and their policyholders nationwide.

We combine decades of audit expertise with modern technology to deliver accurate, timely, and dependable results.

---

### At ECAP, we believe quality service goes beyond delivering an accurate audit.

We provide professional, dependable premium audit services while maintaining the personal attention, responsiveness, and relationships our clients value.

## OUR PREMIUM AUDIT SERVICES

### Physical Audits

Regional physical audit coverage throughout North Carolina, South Carolina and Virginia.

### Virtual / Hybrid Audits

A cost-effective remote alternative using secure document review and structured telephone interviews to complete audits accurately and efficiently. Delivers the detail of a physical audit - without the need for an onsite visit.

### Telephone & Mail Audits

Nationwide audit support through our call center and secure online submission process. We collect, review and validate information, and follow up with policyholders as needed.

## POWERED BY NEXUS TECHNOLOGY

### PartnerSync

Seamless audit exchange for Nexus customers to send and receive audits securely.

### Custom Data Feeds

Electronic transmission of audit requests and completed audits in a variety of formats.

### Policyholder Portal

Secure portal for policyholders to upload audit information and supporting documents.

### Client Portal

Real-time audit inventory and status visibility. Access and print completed audits anytime.
